Sir:

Pursuant to 37 CFR § 1.56, and in addition to information disclosed in Applicants' Information Disclosure Statement filed February 13, 2004, the attention of the Patent and Trademark Office is hereby directed to the references listed on the attached Form PTO-1449. It is respectfully requested that the information be expressly considered during the prosecution of this application, and that the references be made of record therein and appear among the "References Cited" on any patent to issue therefrom. The listing of a reference herein is not an admission that the reference is prior art or that the reference is material to patentability.

This Information Disclosure Statement is being filed more than three months after the U.S. filing date and after the mailing date of the first Office Action on the merits, but before the mailing date of a Final Action or Notice of Allowance.

I hereby certify that each item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement. 37 CFR § 1.97(e)(1). A copy of the Japanese Office Action is enclosed for the Examiner's convenience.

Three of the cited foreign references have English language abstracts. The concise relevance of these references is provided by said abstracts and also by the List of References Cited and Relevance attached to the Japanese Office Action.

Respectfully submitted,

Douglas J. Christensen
